If you answered "Yes" to any of the above questions, consult with your physician and a YWCA health and fitness coordinator before increasing your physical activity. Tell him/her which questions you answered "Yes" to.

Note:

1. If you have a temporary illness, such as a fever, or are not feeling well at this time, you may wish to postpone the proposed activity.
2. If you are pregnant, you are advised to discuss the "PAR-X for pregnancy" with your physician before exercising.
3. If there are any changes in your status relative to the above questions, please bring this information to the immediate attention of your fitness professional.
4. If you are at high risk or if you have a limiting physical condition you may be required to have your Health Care Professional fill out a "YWCA-request for information form."
5. The YWCA reserves the right to refuse membership to anyone.

WAIVER – I realize that it is my responsibility to secure the recommended doctor’s approval; to wear appropriate footwear and clothing; and that use of the equipment and facility is at my own risk and not the responsibility of the YWCA Lethbridge and District. I have volunteered to participate in a program of progressive physical exercise. I waive any possibility of personal damage which may be blamed upon such a program in the future and accept the responsibility for requesting such exercise assistance. The possibility of certain unusual changes during exercise does exist. They include: abnormal blood pressure, fainting, disorders, irregular heartbeat and very rare instances a heart attack. Every effort will be made to minimize them by preliminary examination and by observations during situations which may arise. I hereby acknowledge and accept these risks. To the best of my knowledge, I do not have any limiting physical condition or disability which would prohibit an exercise program.
